Undersea Tour

Daytime & nighttime trips aboard the Starlight and Emerald semi-submersible vessels

Sit five feet under the water in a spacious, climate-controlled cabin and watch Catalina's abundant marine life. As we feed the fish, you'll come face-to-face with a wide array of undersea dwellers: bright orange garibaldi, spotted calico bass, opaleyes, halfmoons, urchins, rockfish, and bat rays.

The Nighttime Undersea Tour reveals a completely different scene when Catalina's nocturnal sea creatures appear. This is more than a tour; it's an undersea experience!

A colorful "Fish Finder" guide and souvenir button are included with each ticket purchase.
